The Ravenwood Golf Club in Victor was the site of the 2003 New York State Amateur Championship. The Pittsford Sutherland High School golf team and Ravenwood are excited about continuing this premier tournament event for high school golf. If your team is interested, please contact Ernie DiBella at Sutherland as soon as possible to ensure a spot in the tournament, 218-1130 (email: Ernest_DiBella@pittsford.monroe.edu). Last year ten teams participated. The field will be limited to 12 teams (72 players), so don't delay.

Visit the Ravenwood Golf Club web site [www.ravenwoodgolf.com] for more information about the course. Results, pictures, and information about last year's inaugural tournament are at: <http://schwert.ssb.rochester.edu/fsg/rwood03.htm>.
